For Sale—A Rare Bargain.

I have a complete set of abstract books of the deed records of the city of Waco and its suburbs, consisting of thirteen large volumes with ample room to keep the records for twenty years brought down to date. These books I wish to sell and will let them go at a bargain for cash, or I will trade them for real estate in the city of Waco. Not being able to get a suitable man to make out abstracts and keep the books, and being unable to give the necessary time to the books myself, is my reason for wanting to sell. If desired I can furnish desk room and vault room for the books in my office for the purchaser. This is a splendid opportunity for a man to start up a good business. The right kind of a man can get a bargain, not only in these abstract books, but in city real estate. My list of bargains cannot be equaled. Call and see me. Office in Pacific hotel building.
